

Zuant Lead Retrieval!

We're especially excited to again be working with tech pioneer Zuant to help you to generate more business from NLS Days, Stockholm.

The Zuant App offers not only badge scanning, but enhanced lead capture, and fast, high-quality follow-up.

There are 3 package options with different levels of functionality to suit your needs: Lite, Classic or Pro.

You will need to complete the order form in order for your Zuant Lead Retrieval to be setup. This also applies to the FREE Lite package.

Please contact the Zuant team at events@zuant.com for any questions or queries!
